## The Stagecoach Bus App

Our mobile App has all you need in one place - journey planning, live bus information in real time and mobile bus tickets.

### New updates!

All iOS customers now have access to update to version 2.0 of the Stagecoach Bus App, plus a small number of Android users.

[Click here to find out more](#)

### How to use the Stagecoach Bus App

Here's how the Stagecoach Bus App makes bus travel even easier:

- **What's nearby?** Set your location using your phone's GPS to find the right buses, stops and routes for wherever you are.
- **Where do you want to go?** Use the journey planner to get from A to B with ease, including ticket options, walking directions and disruption updates.
- **Check live bus times** so you know exactly when it will arrive, and once on the bus, follow your journey so you know exactly when to get off the bus.
- **Save your favourite buses, journeys and stops** for even easier journey planning.
- **Say goodbye to paper tickets** with mobile tickets straight to your phone. No need to worry about change - pay safely and securely using your card, PayPal or Apple Pay or Google Pay (supported devices only) and your tickets will be ready to use instantly on your phone. Simply activate your ticket when you're ready to board and show it to the driver.

The Stagecoach Bus App is available free on the App Store (iPhone) and Google Play (Android). Click the buttons above to download, or search Stagecoach Bus on the App Store or Google Play store.

## Alternative Bus Service

### Bedford Road Bus Route 41

**You can find out exactly when the Bedford Bus will be arriving at either stop on Bedford Road by accessing this App on your mobile phone**

**Real Time information will make sure that you do not miss the bus!**

**Go to:**
